

# HEMPSTALK 2011

SEPTEMBER 10 & 11 - KELLEY POINT PARK, PORTLAND, OREGON

*Exit 307 off Interstate 5 - Confluence of the Willamette & Columbia Rivers*

May 31, 2011

Dear Non-Profits,

Thank you so much for inquiring about vendor information with our Portland Hempstalk Festival set for September 10-11 at Kelley Point Park. We are planning a great festival and are very excited to bring the Hempstalk to Portland for a 7th year. We hope you can join us.

We have a designated non-profit vendor row with approximately ten spaces which can be seen here <http://hempstalk.org/festival/content/vending-info> in the Hemposium section of our festival. We recognize all the great work that all non-profits do across the state for many many causes. On that note, we are offering a discounted vendor fee of \$100 for your booth in the non-profit vendor row. This cost will help us fund the festival and allow your organization to reach the community.

If our non-profit row does not satisfy your needs, feel free to purchase a regular booth space at regular vendor prices.

Please contact us at anytime with any questions you might have. We hope you can work with our suggestions for your booth and we look forward to seeing you there.

Sincerely,

*The Entire Hempstalk Staff*
